About this Journal

International Journal of Pediatrics is a peer-reviewed, Open Access journal that publishes original research articles, review articles, and clinical studies in all areas of pediatric research.

International Journal of Pediatrics currently has an acceptance rate of 18%. The average time between submission and final decision is 66 days and the average time between acceptance and publication is 26 days.

International Journal of Pediatrics has recently been accepted for coverage in the Emerging Sources Citation Index, which is the New Edition of the Web of Science that was launched in November 2015. This means that any articles published in the journal will be indexed in the Web of Science at the time of publication.
